His place of Rs 30 in the Normal School must ~~probably~~ have been filled up by the I Gl, on his transfer himself to the Bombay Educational Service as Shastri

Draft D.O issued
26/2/03.

Note continued on receipt of D O (received on the 10th) from the I Gl of Edn

The I Gl of Education was written to, to obtain the information required by the 2d Commissioner (vide his orders of the 26th Feb '13 on the previous page)

The I Gl says that the Normal school, Mysore has been deprived of the services of two of the best Pandits viz S Thimmappaiya Sastri (2) Rama Rao M A,

that Thimmappaiya sought service in Dharwar (Bombay Education Deptt) as he despaired of promotion here, owing to the appointment of Rama Rao in the Normal school,

that Rama Rao left the Mysore Service, because he was not given timely encouragements

he showed him every consideration & gave him a lift but he was at last remaining non-confirmed

that S Thimmappaiya is certainly better than any other Pandit working in the Deptt for doing the work of the Pandits' classes in the Normal school Mysore (The Hd master of the Normal school, Mysore is also of the same opinion), and

that S Thimmappaiya has

has applied for the place vacated by Mr Rama Rao and is eager to return to Mysore.

The I.G. also adds that S Thimmappaiya has not severed his connection with the Mysore Depttt, as he has been on leave till now, that he has a right to revert to his old place in the Normal school, and that if he does so, no one else can have a stronger claim to promotion to Mr Rama Rao's place as he has

In this connection it may be pointed out that the services of Thimmappaiya were applied for by the Bombay Education Deptt when he joined the Dharwar College about the middle of April 1902, his services were finally formally transferred to the Bombay Edn Deptt in Govt order No 9414-15 d. 5th December 1902 - Ed 225 (Sl No 15)

As Thimmappaiya was transferred to foreign service, the Residency was, in their office letter No 9413 d the 5th Dec 1902 (Sl No 16), Pol 208 requested to arrange for the payment (by Thimmappaiya) to the Comptr, Mysore Govt of 1/11 of his pay in the Bombay service as contribution towards his pension under Art. 390 of the Mysore service Regulations

In these circumstances it is not clear how Thummappayya "has a right to revert to his old place" i.e. the Normal school, Mysore to quote the words of the Dpl. and how he can be considered to have left the Mysore Educational In his letter No. 2703/83 dd the 22nd Septr '02, the Dpl stated that "if his request (Thummappa, "request to pay contribution to "the Govt of Mysore) is granted, Govt "will by implication have also to "sanction his transfer to foreign "service under article 388" In the same letter he added that "Thummappayya Sastri obtained "from me six months' leave without "pay from 15th April 1902" This leave, in the absence of further information from the Dpl as to extension of any, was considered to have expired on the 15th Oct. 02, and the transfer was formally ordered in Dec. 5th 1902 i.e after an interval of about two months

Sl No 11

It is a question therefore whether Thummappayya has a lien to on his appointment

I have the honour to state that by Government Order No 2634-5 Ed 7 27-96 dated the 23rd August 1902 Mr B Rama Rao MA, Head Master Government Kannada School, Mysore who was doing duty in the Government Normal School Mysore as Kannada Pandit was placed in class C IV (Rs 50 - 10/2 - 100) of Educational Officers on a starting pay of Rs 60 and was permanently transferred to the establishment of the latter school Mr Rama Rao has since been appointed a Translator on Rs 100 in the office of the Oriental Translator at Bombay and has tendered his resignation of the post in the Normal School There is no graduate of equal attainments that can be appointed in class C IV in place of Mr Rama Rao The requirements of the Normal School will be adequately met by the appointment of a good Kannada scholar in the second class of Pandits and Munshis (Rs 30-3-45)

Timmappaiya Sastri, Senior Kannada Pandit of the Dharwar Training College is the best qualified Pandit for the place. His services were transferred to the Bombay Education Department by Government Order No 9414-15 ed 225 dated the 5th December 1902. His pay in the Dharwar Training College is at present Rs 50 and there is a prospect of the pay being raised shortly to Rs 75 But Timmappaiya Sastri is willing to forego his present pay and future propect of promotion in the Dharwar College and revert to Service in Mysore if he is given at least Rs 45 per mensem. The Principal of the Training College has no objection to Timmappaiya Sastri's reversion to Mysore Service. Under these circumstances I request that Government may be pleased to sanction the appointment of Timmappaiya Sastri as a Pandit of the Government Normal School Mysore in the Second Class of Pandits and Munshis on Rs 45 which is the maximum pay of the class. The proposal will result in a saving to Government and secure at the same time the services of a able Kannada and Sanskrit scholar to the Normal School

2 I request that early sanction may be accorded to the above proposal in order that there may be as little interruption of work as possible in the Normal School

I have the honour to be,
